Invest in Your Future!

We're awarding four $1,000 scholarships to eligible students! Plus, by completing our scholarship application, applicants will also be considered for a statewide scholarship opportunity. There's even more opportunities available through the Rochester Chapter scholarship, which has its own separate application all linked on our website!

ATM Access Made Easier

Accessing your money is now even more convenient! Members now have access to the MoneyPass ATM network, providing nearly 40,000 surcharge-free ATMs nationwide.

Whether you're close to home or traveling across the country, you can find convenient ATM locations at participating financial institutions and retail locations.

Simply look for the MoneyPass logo when choosing an ATM to enjoy surcharge-free access and greater convenience wherever life takes you.

We're also making ATM access easier by eliminating our five-ATM-per-month limit on out-of-network ATM transactions. This means we will no longer charge a fee when you use an out-of-network ATM more than five times in a month.

With more ways to access your money, you can enjoy greater flexibility and convenience wherever you go. More access. More flexibility. Care you can count on.
