Celebrating Geneva's Educators

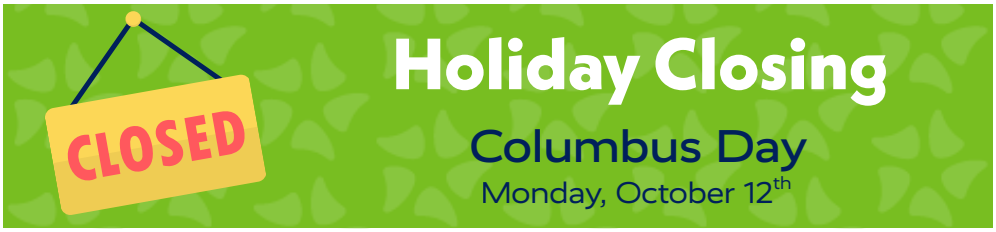

There's so much to celebrate in the people who show up, inspire, and make a difference every day. Finger Lakes Credit Union was proud to recognize nine outstanding faculty and staff members from the Geneva City School District during the district's Opening Day Celebration on September 2, 2026.

Congratulations to Panther Award recipients Kathy Collins, Nicole Christmas, Jasmine Shedd, Jennifer Spina, Jonathan Monahan, Aaron Backhaus, Justin Shur, and Christina Joslyn. We also extend a special congratulations to Jamie Wagner, Instructional Coach at West Street School and recipient of the district's inaugural Educator of the Year Award. Jamie was recognized for her dedication to supporting students, educators, and the Geneva school community.

We proudly sponsored the Educator of the Year Award with a $1,000 contribution. Supporting Geneva educators holds a special meaning for us, as our credit union was founded nearly 60 years ago by Geneva City School District employees who came together to serve one another. Today, we're proud to carry that spirit forward by supporting the educators who make such a lasting difference in the lives of our community's young people. Congratulations to all of this year's honorees!
