

MEMBER MATTERS MONTHLY

For the valued members of our credit union.

Miles That Mean More

At sunrise over Seneca Lake, our team laced up for one of our favorite traditions—the Middle Finger 5K, a race that brings the community together to support cancer awareness and fundraising efforts. With a 6:00 AM start, we were up early, energized, and proud to take part in such a meaningful event along the lakefront.

We're grateful to be part of a community that shows up for important causes and supports those impacted by cancer. Events like this remind us why we run—not just for the miles, but for the mission.

HEADS UP!

We will be closed
Tuesday, June 9th

Generations of Membership

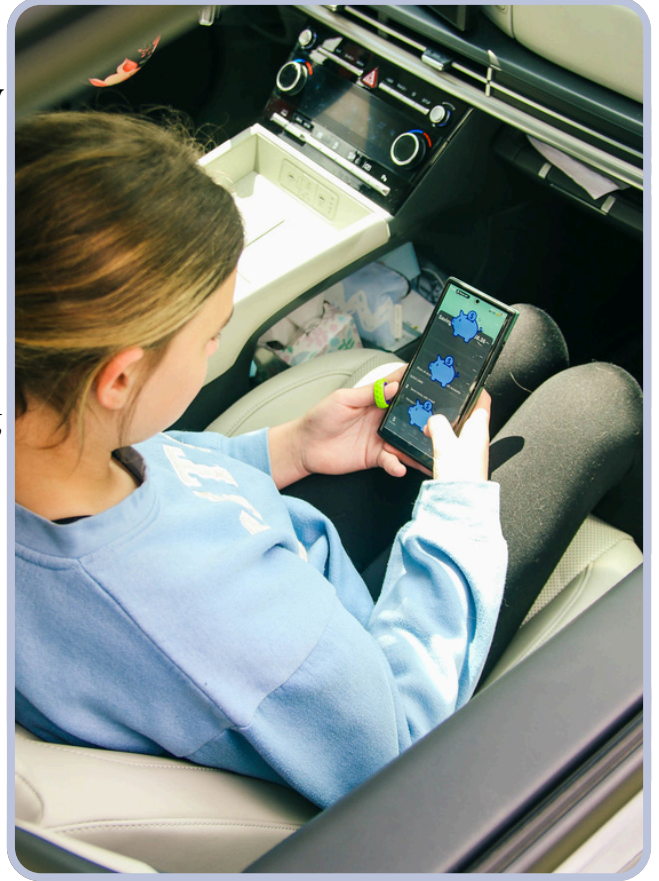

At 13, money starts to take on a new meaning. It's no longer just about saving birthday cash—it's about making choices, setting goals, and learning how to manage money more independently.

For teens like McKenzie, being a member of Finger Lakes Federal Credit Union is part of a journey that often starts early in life. Like many in her family, she's growing up with values centered around saving, planning, and thoughtful spending.

With guidance from her parents, she's beginning to learn financial skills in a hands-on way—whether it's saving for something she wants, thinking before she spends, or balancing saving and spending. Having her own account helps her:

- Take a more active role in managing her money
- Build smart spending and saving habits
- Gain confidence in making financial decisions

For her family, it's part of something bigger—a tradition of learning and growing together with a credit union they trust, one generation at a time.

Celebrating Our 2026 Scholarship Recipients

We are proud to recognize our 2026 scholarship recipients for their hard work, dedication, and achievements both in and out of the classroom.

These students have shown commitment to their education, leadership in their communities, and determination to reach their goals. We are honored to support them as they begin their next chapter and pursue their future plans.

Congratulations to all of our scholarship recipients! We wish you continued success and look forward to seeing all that you accomplish.

WELCOMING NEW STAFF

Jill Peek, Mortgage Originator/AVP

Jill joins us as our new Mortgage Originator/AVP, bringing over 25 years of experience in mortgage lending and real estate financing. Her background includes work with credit unions, lending institutions, and brokerage firms, giving her a well-rounded understanding of the home financing process.

In her role, Jill will guide members through every step of the mortgage journey—from first-time home purchases to investment properties and new home construction. She is passionate about making the process straightforward and helping members find financing options that support their long-term goals.

Jill is dedicated to helping members feel supported throughout the mortgage process and making each step as straightforward as possible.

We are excited to have her on the team—please join us in giving Jill a warm welcome!
